LETTER OF CONFIDENCE – SOC 2 TYPE II

This is to confirm that 3Di Inc successfully cleared the requirements of SOC 2 Type II compliance as audited by our independent auditors. 3Di Inc. had provided information regarding its current infrastructure, people, processes, and technologies. The SOC 2 Type II assessment was conducted for the audit period of February 01, 2021, through to July 31, 2021. No high-risk findings were observed.

We wish to place on record the high levels of transparency and professionalism exhibited by the team. No attempt to misrepresent or hide any information was evidenced.
